

Transmission Competition

FERC
Feb. 18, 2026

WHO WE ARE

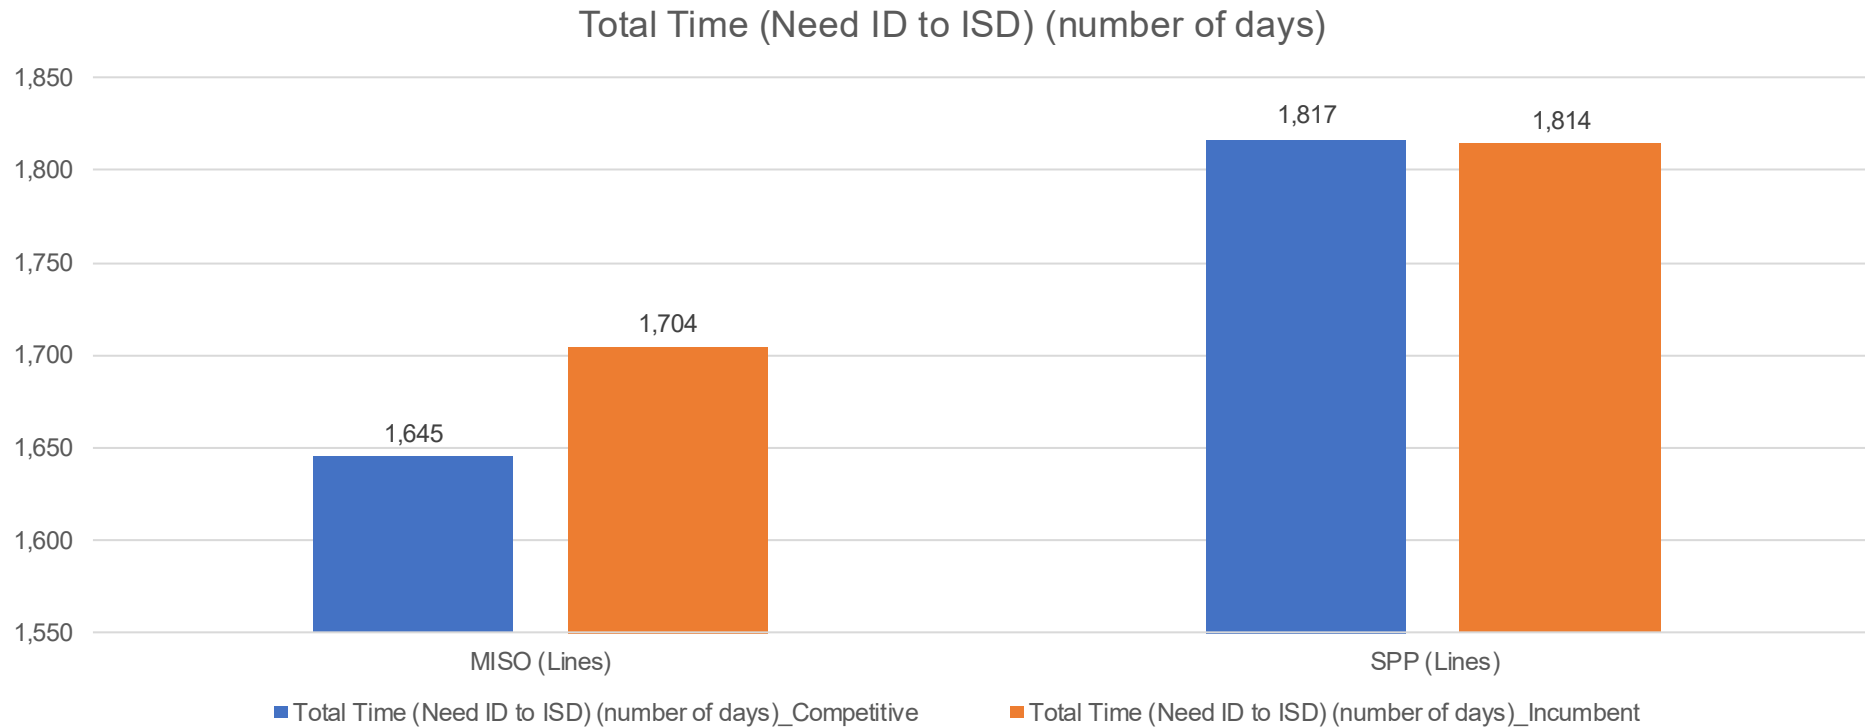

R Street Institute is a nonprofit, nonpartisan, public policy research organization. Our mission is to engage in policy research and outreach to promote free markets and limited, effective government.

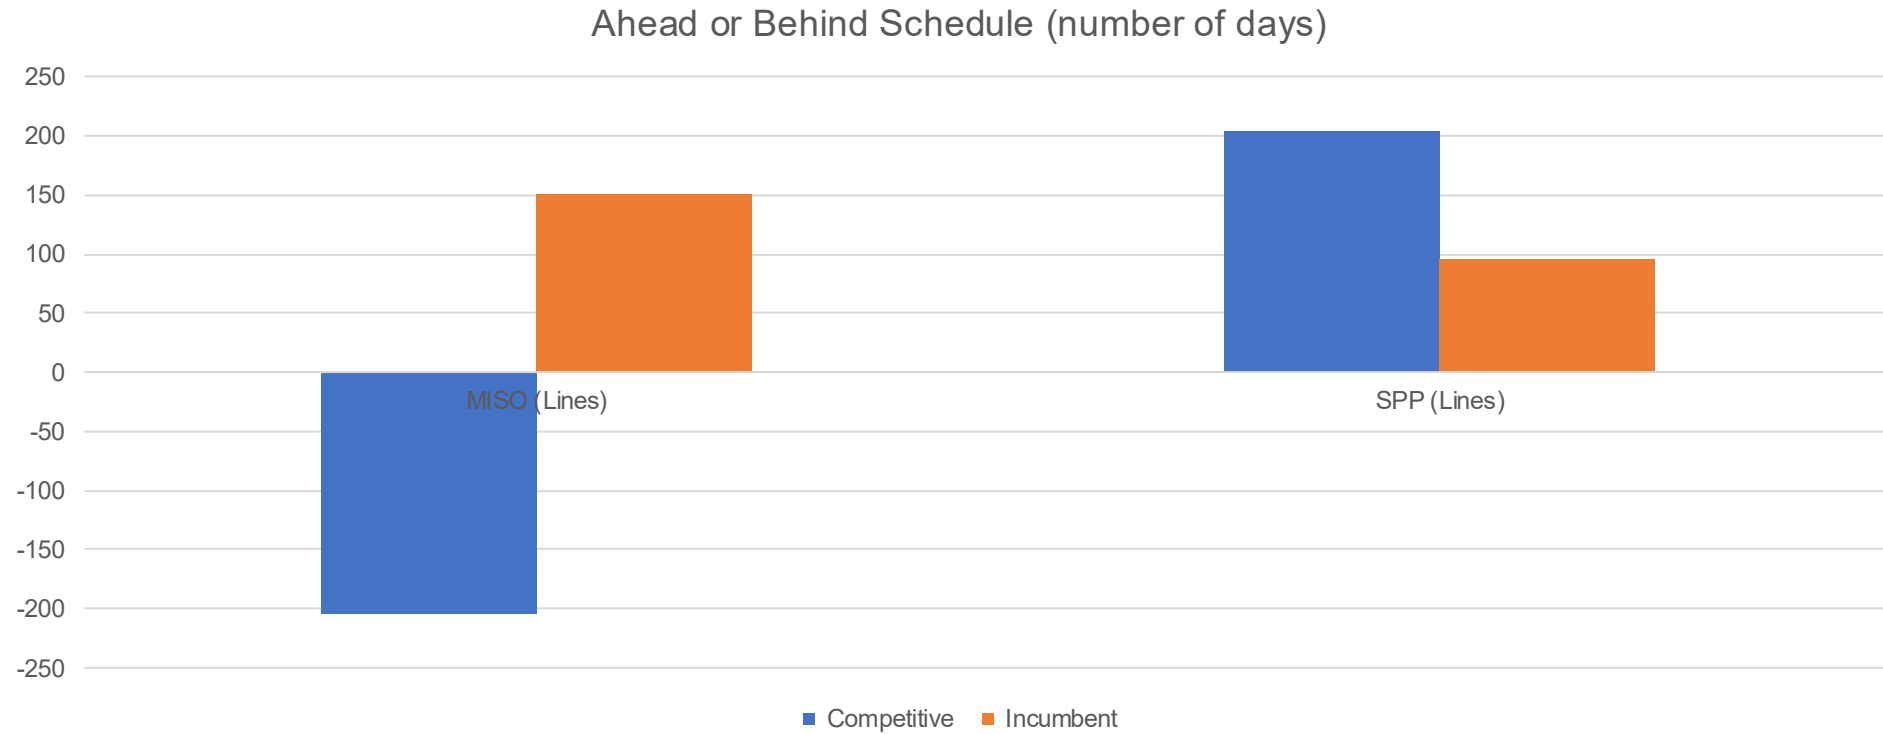

R Street Study

- Previous [studies](#) (Brattle 2019, etc.) analyzed benefits of competitive transmission, such as lower costs;
- With some competitive projects now in-service, RSI sought determine whether estimates occurred;
- RSI study also looks at qualitative results of Order 1000 projects, and will suggest policy changes to improve outcomes;
- First volume of RSI study is forthcoming, but included here are some initial takeaways.

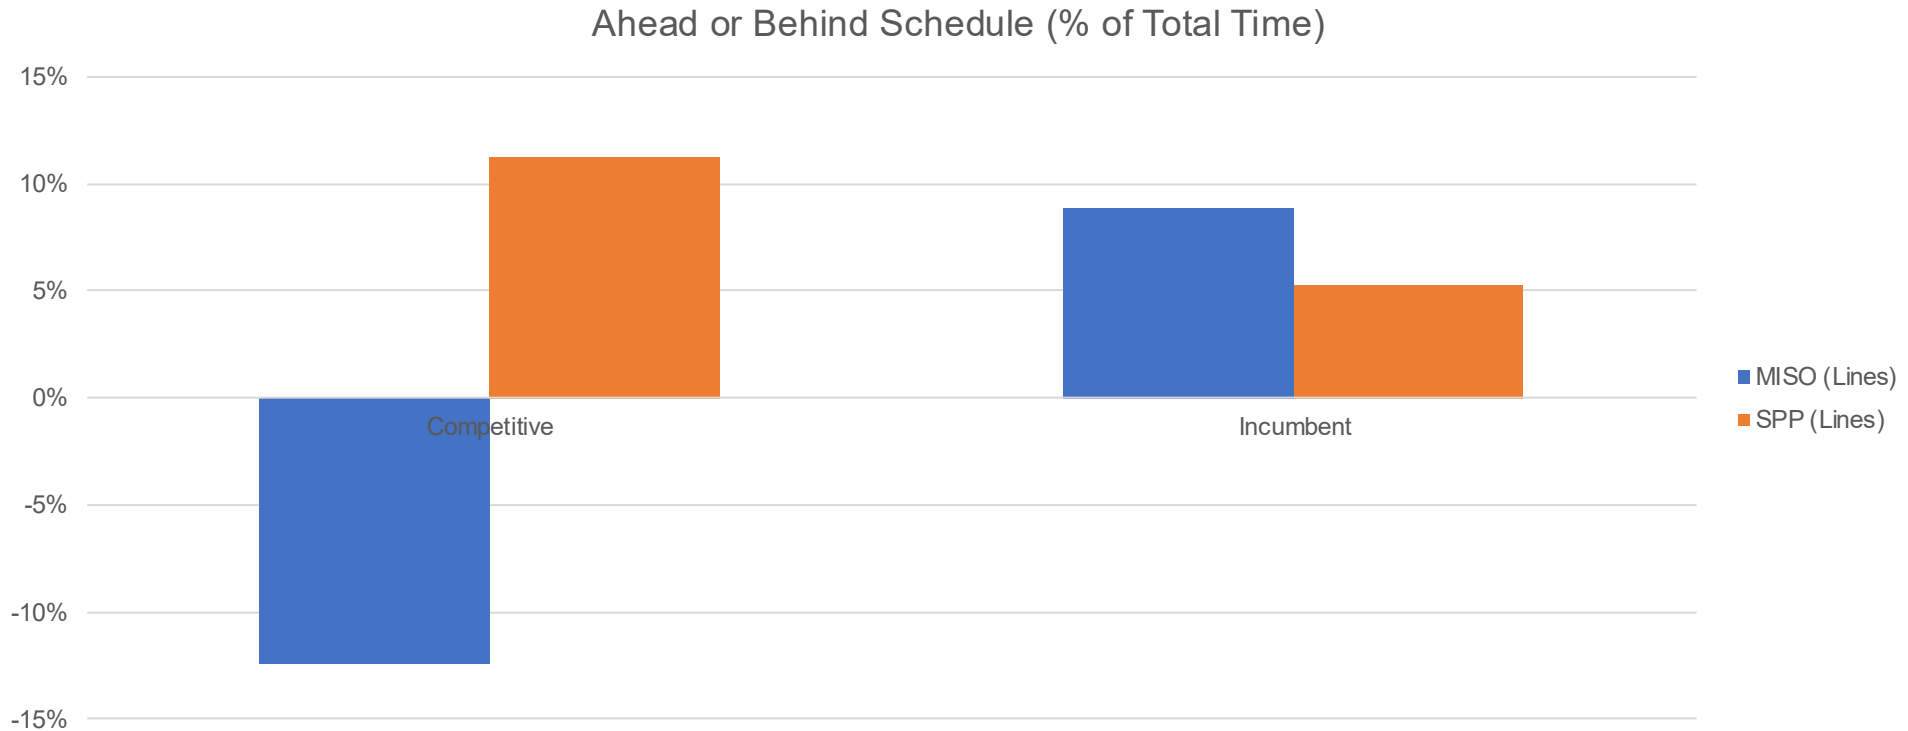

Incumbent projects are not faster

On-time experiences vary

On-time experiences vary, continued

Thank you!
